Specs - Inspiration™ Table

Features, Construction and Accessories

Tops

Standard Weight Top Construction – 1 ¼" M3 industrial grade 45# density particle board. Constructed with HPL (decorative laminate) on the top side and a balanced backer on the bottom.

- Edge Options/Materials - EdgeGuard™ is a sprayed on polyurea edge treatment that provides superior resistance to moisture, eliminates unsanitary food traps, and is extremely tamper resistant. Edges stay sealed, preventing peeling and chipping. Durable for many years of use.

EdgeGuard™

- When choosing your laminate color from Wilsonart®, please note that Palmer Hamilton standards are all colors ending with '-38' or '-60'. Exceptions apply to colors that begin with a 'Y' or end with a 'K-38' or 'K-60'. All premium colors are subject to an upcharge. Custom logos available at an upcharge.
- Butcher Block Top – 1 ¼" thick face-glued, finger joint rails finished with a clear catalyzed lacquer. Wood consists of standard mixed hardwoods. (Variation of different species containing similar color and grain patterns.) Edge profile is 1/8" eased edge.

Inspiration Table Specs 03082019

Frame
